

Cowley: St James- OX4 3LF

Welcome to the Parish of Cowley. Bringing Christianity to life.

What makes St James Church special is the people. Yes, its true we meet in a lovely Grade 2 listed building situated in a conservation area. It's also true that there has been a church on this site since at least 1100. We have some fine stained glass windows and many architectural details of interest can be seen. But the heart of the church is the people who have a love of God and a desire to serve. We are exploring new ways to worship, featuring a slightly more contemporary style of music and liturgy

As part of the Cowley Christian community we are here to serve the community as a whole - children and older people, students and workers, believers and those who are searching. We would love to meet you and hear how your journey in life might meet ours. You can meet us for worship, at a lunch club, in a home group, or just drop in for a chat.
